The left has an agenda,
They don't care who get hurt,
As long as their propaganda pushes their agenda.
How many have died because of the wrap up smear.
The days are evil because the left's pushing an agenda.
It keeps evolving without any accountability...

☑️ NAILED IT!
It's all fake pantomimes 4 the camera propaganda. 🙄

Whilst Democrats were demonizing Hydroxychloroquine & Ivermectin, & denying YOU access to it, the SOCIOPATHS were secretly stockpiling & using it themselves! 🧐
👇THIS👇 is how #LiberalElitists "get the JAB!"

Democrats want patriots gone one way or another. If they can't take us out with the V or the jab they'll put us in concentration camps. Of course, they'll justify our incarceration by calling us Typhoid Mary. We must 2A fight for our lives & our nation.

Yes, the CBDC scheme has been in the works for at least two decades. No need to be a financial wizard to understand how this will work. One bank, the Federal Reserve, will handle ALL transactions. Not only personal finances, even SS, bypassing the US government which is bankrupt

It is amazing that people can't think for themselves. With just a little research you can discover, the V was engineered, the pandemic is contrived, the va**ines are more dangerous than the V, the election was stolen & global warming is a ruse.

With totalitarian central planners, managing the population like farm animals and monitoring all activity is expected. Worse, once a digital currency is in effect, they can easily control how you spend, buy, even donate.

People don't want to believe this, eventually no choice.😎
